NOTICE.

PUBLIC NOTICE is hereby given that the Government of His Majesty the King of Sweden and Norway purposes sending, in the summer of 1896, a balloon expedition to the North Pole for exploration in the interests of science. The balloon will convey a party of three Swedish scientists, namely, Mr. Salomon August Andree, aged 42; Dr. Nils Gustaf Ekholm, aged 48; and Mr. Nils Strinberg, aged 24. It is understood that the expedition will start from Spitzbergen in the early summer.

The Swedish and Norwegian Minister at the Court of St. James having, in the name of his Government, invoked the assistance of Her Majesty's Government with a view to making it generally known in the British possessions adjacent to the Polar Basin that the

expedition in question will be attempted, and the Swedish Government being anxious also that the project should be made known to the authorities in other parts of Canada and to the general public in the Dominion through the medium of the press, Her Majesty's Principal Secretary of State for the Colonies has requested His Excellency's Government to do all in their power to meet the wishes of the Government of His Swedish and Norwegian Majesty in this matter.

Accordingly, Her Majesty's loyal subjects throughout the Province of British Columbia are hereby notified in the premises and are requested to give the explorers, should an opportunity present itself, all the help in their power. If the balloon be seen only and no communication be had with the exploring party, it is requested that the following particulars may be noted and communicated either to a local newspaper or to this office, namely, the day and the hour in which the balloon was seen, the direction of the balloon, and the direction of the wind.

Should any accident befall the explorers and should they arrive in any locality having lost the balloon, the inhabitants are asked to give them all possible assistance.

A By-law providing for the levying of a rate on all the Real Property (being all the rateable property) assessed upon the last revised assessment roll of the Corporation of the District of North Vancouver, to provide for the necessary expenses of the said Municipality for the current year 1896.

WHEREAS it is necessary and expedient, in order to make provision for the necessary expenses of the said Municipality for the current year, to levy a rate on all the real property in the said District of the said Municipality assessed in the last revised assessment roll, in addition to and over and above the special rate of four (4) mills in the dollar, already provided for in the "North Vancouver Loan By-law, No. 1," for the liquidation of the debenture debt of forty thousand dollars (\$40,000) thereby created, and also in addition to and over and above the special rate of two and one-half (2½) mills in the dollar already also provided for in a certain other by-law, namely, in the "North Vancouver Loan By-law, No. 2," for the liquidation of the debenture debt of twenty thousand dollars (\$20,000) thereby created:

And whereas the amount required for said expenses is duly estimated at seven thousand three hundred and twenty-seven dollars and eleven cents (\$7,327.11):

And whereas the existing debenture debt of the Municipality is the sum of forty thousand dollars (\$40,000) provided for in the said "North Vancouver Loan By-law, No. 1," and also the debenture debt of twenty thousand dollars (\$20,000), provided for in the said "North Vancouver Loan By-law, No. 2," being a total debenture debt of sixty thousand dollars (\$60,000), and no principal money or interest is in arrear:

And whereas the amount of the whole assessed real property in the said District of North Vancouver, according to the last revised assessment roll, amounts to eight hundred and sixty-two thousand and fourteen dollars and eleven cents (\$862,014.11):

And whereas in order to raise the said sum of seven thousand three hundred and twenty-seven dollars and eleven cents (\$7,327.11), being the necessary expenses for the current year of the said Municipality, in addition to and over and above the amount of the said several special rates heretofore referred to, it will be necessary to levy a rate of eight and one-half mills in

the dollar on the assessed amount of all the said rateable property:

Be it therefore enacted by the Reeve and Council of the Corporation of the Municipality of the District of North Vancouver in Council assembled as follows:—

That in addition to the said rate of four mills on the dollar levied by the said above-mentioned "The North Vancouver Loan By-law, No. 1," and also in addition to the rate of two and one-half (2½) mills in the dollar levied by the said above-mentioned "The North Vancouver Loan By-law, No. 2," making in all the sum of six and one-half (6½) mills on the dollar as aforesaid, a further rate of eight and one-half (8½) mills on the dollar shall be levied upon all the real property of the Municipality of the District of North Vancouver, as entered upon and in the last revised assessment roll, for the purpose of the payment of the said seven thousand three hundred and twenty-seven dollars and eleven cents (\$7,327.11), being the necessary expenses of the said Municipality for the current year, in addition as aforesaid to the above-mentioned special rates, making in all the amount of fifteen (15) mills on the dollar to be levied for the current year on the said real property of the said Municipality as entered upon and in the last revised assessment roll as aforesaid, and the said rate of fifteen (15) mills shall be collected accordingly. The said rate shall be due and payable by the person or persons, or bodies corporate, liable for the same, to the collector of the Municipality at his office in the City of Vancouver on the fifteenth day of July next, and on all taxes paid on or before the said fifteenth day of July next a rebate of one-sixth shall be made.

Read a second and third time on the second day of June, instant.

In accordance with the "Assessment Act, 1888," and amending Acts, I hereby give notice that I shall offer for sale, by public auction, the lands of persons assessed by me on which taxes, together with the cost of advertising, and other expenses remaining unpaid, on the day of sale, in the District of New Westminster.

Under the statute persons liable to pay taxes imposed by the Assessment Act and amending Acts are personally liable for the amount thereof, and all lands of such persons situate within the Province are also liable therefor.

The taxes are a charge on such lands, having preference over any claim, lien, privilege or incumbrance of any party, except the Crown, and does not require registration to preserve it.

The above sale will take place on Wednesday, the 15th day of July, A.D. 1896, at the Court House, New Westminster, at 10 o'clock a.m.

E. L. KIRKLAND,
Assessor and Collector.

New Westminster, B.C., May 18th, 1896.
